**INDIA HAS ZEROED** in on more than 1,000 products across sectors, including textiles & garments, gem & jewellery, leather, spices, engineering goods, chemicals and poultry, where it wants duty concessions from the UAE under a proposed free trade agreement (FTA), sources told *FE*.

New Delhi and Abu Dhabi held the third round of FTA negotiations from December 6 to 10. They have hammered out broad contours of the deal and are giving final touches to it, said an official source. It would be the first FTA to be signed by India in over a decade.

While the UAE, India's third-largest export destination, currently slaps a 5% duty on textiles & garments and jewellery, certain steel products are taxed at 10%. These three segments alone made up for 34% of India's \$16.7 billion exports to the UAE last fiscal and 43% in the pre-pandemic year of FY20.

The UAE has also prohibited poultry imports from India on concerns of bird flu. Seeking the lifting of the ban, New Delhi has highlighted that
