Rubber Industry events to bridge technology gaps

Rubber Board Chairman A Jayathilak releasing NRC souvenir along with (from left) Vipin Mehta, Anil Arora, Mohinder Gupta, R V Gandhi (Guest of Honour), Vikram Makar & Ashwani Sarin

Chief guest Arun Firodia with Vikram Makar, Mohinder Gupta and Vinod Simon at RDME

Organised by All India Rubber Industries Association (AIRIA), National Rubber Conference (NRC) went underway in New Delhi. Over two days, a large number of Rubber MSMEs and experts discussed new developments in technology, product innovation, cost reduction and business scenario. The chief guest on the occasion was A Jayathilak, Rubber Board Chairman who appreciated industry's efforts towards making itself internationally savvy by opening out to the world. AIRIA president Mohinder Gupta outlined the successes achieved by the industry and the challenges it faces.

NRC in Delhi came on the heels of Rubber Dies and Moulds (RDME) Expo held at Auto Cluster Exhibition Center, Chinchwad, Pune. For the first time, an event focused on Tools, Dies & Moulds has been held for the benefit of Rubber industry said Vikram Makar VP AIRIA & RDME Chairman.
