

National Rubber Conference - 2012

PAPERS AT NRC 2012, MUMBAI

PRESENTATION TOPICS

- Growing beyond Manufacturing - Opportunities in India as an emerging auto product development hub.
- The Indian Rubber Industry within a Global Context and the Shape of things to Come
- Power Availability & Alternate Sources
Current & Future position for Rubber Inds
- Manpower Availability & Skill Development for the Rubber Industry Across India
- Sustainability in the Rubber Industry
- New Developments Banbury N Series Mixer
- General Overview of Mixing Components & Main Influencing Parameters
- New Developments Intermix, Tandem, Convex, System Aspects
- Issues Concerning the Rubber Industry Manpower - Semi Auto / Auto Production Systems Power - Servo Hydraulics, New Power Saving Hydraulics, Future Availability & Price Predictions of Various Raw Materials : Save every gram of Process Wastage, by using cold runner system.
Total Cost of Ownership: definition, concept, possibilities, examples
- Speciality Products for the Rubber Industry
- Silicone Solutions in the Car of Today
- Rubber Nanocomposites
- My Travel through - Sunrise, Resilient Rubber Industry (1953-2012)
- Emerging Trends in Rubber Reinforcement
- Re-Inventing Tubeless Tyre Valves - Benchmarking Approach
- Thermoplastic Elastomers - Properties & Applications
- Latest Advances in the Manufacture of Nitrile Rubbers & Polyblends
- Current Indian Automobile Scenario and Products of Rubber - Expectations & Challenges faced by Auto Component manufacturers & OEM's
Going Forward... possible suggestions
- Automotive OEM's forecast in Rubber Products - Improvements by 2022

NAME OF SPEAKERS

- Mr. Rahul Bhargava**
Manager/Advisory Services
Ernst & Young Private Limited
- Dr. Stephen V. Evans**
Secretary General
International Rubber Study Group
- Mr. Prashant Maniar**
Managing Director
ENCITO Advisors
- Ms. Anupama Giri**
CEO
Rubber Skill Development Corporation
- Mr. Harsh Gandhi**
GRP Ltd.
- Mr. Alan Ashworth**
Area Sales Manager
HF Mixing Group
- Mr. Christoph Holzbach**
Project Engineer Mixing Systems
Manager Market Development - India
Harburg Freudenberger Maschinenbau GmBH
- Mr. Christoph Holzbach**
Project Engineer Mixing Systems
Manager Market Development - India
Harburg Freudenberger Maschinenbau GmBH
- Mr. Arun B Mankodi**
Kloekner Desma Machinery Pvt. Ltd.
- Mr. Arindam Ghosh**
Business Unit - RheinChemie
Lanxess India Private Limited
- Mr. Jasbir Singh**
Business Development Manager
Engineering Silicones
Wacker Metroark Chemicals Pvt. Ltd.
- Dr. Siby Varghese**
Deputy Director, Rubber Tech. Division
Rubber Research Institute of India
- Mr. Manu M Patel**
- Dr. P. Thavamani**
Director
Indian Rubber Manufacturers Research Ass.
- Mr. Sudeesh Palakoute**
Sr. Manager - QA & Process Engg
Schrader Duncan Limited
- Mr. Vishal Kadakia**
Director
Kadakia Plastics & Chemicals Pvt. Ltd.
- Dr. Ashok M Prabhu**
Mr. Mrudang S. Majmudar
Omnova Solutions India Pvt. Ltd.
- Mr. Sudhir Gupta**
Executive Vice President SCM &
Chief Central Purchase
TATA Autocomp Systems Ltd.
- Mr. K. Muthukumar**
Senior Engineer-Wheels, Tyres & Engine Mounts
Product Engineering - Chassis
General Motors Technical Centre India
