

RUBBER EXPO & Advanced Materials in Health Care
180th Technical Symposium & Educational Symposium
was held in October 11-13, 2011,
at I-X Center, Cleveland, OH, USA

The RUBBER EXPO & Advanced Materials in Health Care 180th Technical Symposium & Educational Symposium was held from October 11th 2011 to October 13th 2011, at I-X Center, Cleveland, OH, United States of America. The timing for the exhibition was as follows;

Tuesday the 11th October 2011 from 10AM to 5PM
Wednesday the 12th October 2011 from 10AM to 5PM
Thursday the 13th October 2011 from 10AM to 3PM

For more than 30 years, the Rubber Expo and Technical Meetings have been a highly successful venue attracting thousands of attendees and exhibitors. Building on this success, the expanded event offers unique opportunities for rubber, polymer and biomaterial companies as well as those in the health care industry to network, display their products and services, attend technical programs.

During the exposition, the Rubber Division, ACS offered technical symposia and educational workshops in rubber and polymer research, applications, technology and business while adding others in advanced biomaterials, research and applications relating to the healthcare industry. Dr. Judit E. Puskas, professor of polymer science and integrated bioscience at The University of Akron, is leading a distinguished group from NEOUCOM, West Pharmaceutical, Case Western Reserve University, Nektar

Scheduled symposia topics included:Advanced Materials in Health Care - New!

- Aerospace and Military Applications of Rubber
- Hoses, Belts and Engineered Products
- Rubber Recycling
- New Commercial Developments
- Advances in Materials and Tire Technology
- Silica Technology
- Mixing and Processing
- Coupling of Rubber
- Footwear & Sporting Applications
- Regulations
- Nanostructure and Functional Elastomers
- Heat Resistant Elastomers

India Rubber Expo (IRE 2013) had a barter arrangement with the organizers of the Rubber Expo and were allotted stall number 3124. On behalf of India Rubber Expo, Mr Ramesh P.K, Secretary (PR,Publicity & WR) was deputed to participated in the exhibition.

There were around 230 exhibitors in the exhibition covering more than 53,000 Square feet floor space. The exhibitors comprised participants from across the world. In addition there were educational Symposia wherein presentations were made by eminent international speakers members from the rubber industry.

The objective of participation in the exhibition was to promote IRE 2013 amongst the participants who would be the potential participants for IRE 2013 as exhibitors and visitors. The Association brochure, previous months of Rubber India magazine, catalogue of IRE 2013 along with pens with website address of IRE 2013 were displayed at the booth and the designated area for catalogue display for free distribution to the visitors. The same were also distributed among those exhibitors identified as potential participants. Among the eminent personalities who visited IRE 2013 stall was Mr Don Smith, Editor, Rubber World magazine.

From L to R Mr Ramesh P.K, Secretary (PR,Publicity & WR), Mr Don Smith, Editor, Rubber World magazine, Mr Niraj Thakker, Convener, IRE 2013, Mr Asit Lathia, Visitor & Member AIRIA
