14 Know your AIRIA Office

15 AIRIA News

A round-up of the various activities conducted by the All India Rubber Industries Association.

20 **Cover Story**  
**TPR with Mixtures of Elastomers and Plastics**

Dr. Samir Majumdar highlights the properties and applications of TPEs. Mixtures of elastomers and non-elastomers are a kind of thermoplastic elastomers (TPE). Unlike rubber-like elastomers, they do not require curing or vulcanization.
