

BIZ BONDS | Industry captains on growing business ties between India & Pakistan

“ We are working on a model project to develop affordable healthcare. It is a compulsion for both nations as we have significant populations of poor who die without treatment. Pharma companies, hospitals and govt experts will meet in May to finalise modalities

Naresh Trehan | CHAIRMAN & MD, MEDANTA MEDICITY

“ There really are no major hurdles beyond our own mindsets and prejudices. Our origins are the same, as is our culture, values and tradition. There could not be a better foundation for future growth and cooperation. Once trade channels are opened, we would see investments from both sides taking place.

Onkar S Kanwar | CHAIRMAN, APOLLO TYRES

“ There is immense desire among businesses on both sides to collaborate. I have met several Pakistani business leaders, who like us believe there is potential for cross-border investments. Increased trade and economic cooperation will go a long way in improving political ties between India and Pakistan

Rajan Bharti Mittal | VC & MD BHARTI ENTERPRISES

“ We feel we must have a policy of trade, a growing trade, with neighbouring countries including Pakistan. I think trade will also bring both the countries together.

S Gopalakrishnan | CO-FOUNDER & EXECUTIVE CO-CHAIRMAN, INFOSYS
