Dear Participant,

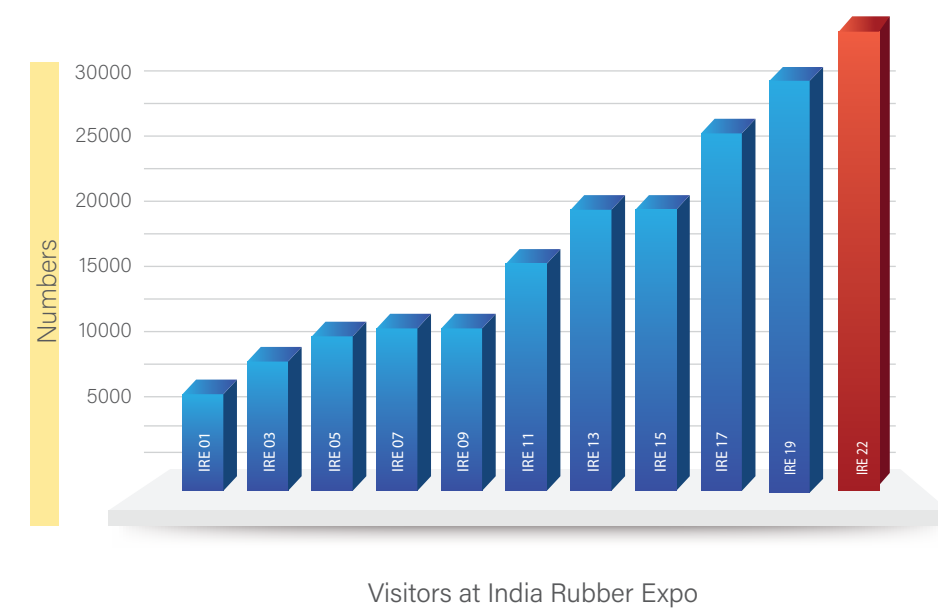

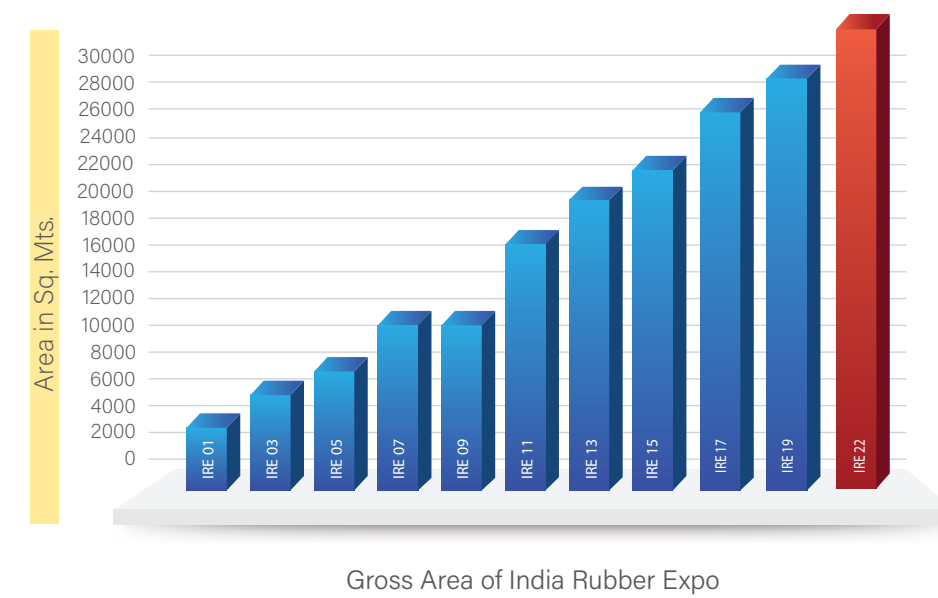

The next big event in rubber is on its way, and we are delighted to invite you to experience it first hand at India Rubber Expo 2022 in New Delhi, at the brand new Pragati Maidan venue.

In many ways, the rubber industry is at the cusp of incredible growth with emerging technologies, and manufacturing breakthroughs. Given this scenario, IRE 2022 promises to be the most relevant exhibition in the rubber industry, creating the most credible economic and manufacturing platforms for participants and visitors and showcasing the best the world has to offer.

Thus, once again we invite you to be part of this journey and join us in showcasing your products and capabilities at IRE 2022 to be held in New Delhi from 20th to 22nd January, 2022 at the revamped Pragati Maidan.

A legacy of rapid growth.

India Rubber Expo, organized by All India Rubber Industries Association (AIRA), has been at the forefront of offering the most incredible opportunities for businesses in the rubber industry. Ever since its inception in 2001, it has grown from strength to strength, becoming Asia's largest event in rubber.

Leap into the future. Be a part of IRE 2022.

In its 11th edition, IRE 2022 is set to become a grander event that will witness the convergence of ideas, technology, manufacturing know-how, expertise and immense business opportunities.

New destination, new possibilities.

IRE 2022 is scheduled to be held from 20th to 22nd January, 2022 at the new and upcoming world-class exhibition centre at Pragati Maidan.

- India's largest exhibition and event location
- Home to maximum trade fairs and shows since 1988
- Located in the heart of New Delhi
- Wi-fi enabled and air-conditioned halls
- Well-connected through bus, rail, taxis and metro
- Close proximity to Delhi's historic and business landmarks

Going global, growing bigger.

Participating delegates for IRE 2022 will be from countries such as:

China, Malaysia, Italy, Germany, United States, United Kingdom, Spain, Sri Lanka, Taiwan, France, Vietnam, Korea, Brasil, Mexico, Thailand, Turkey, Canada and more.

Tap into the advantage of IRE 2022.

The reasons to participate in IRE 2022 are many. It is your most potent platform to showcase your strengths, forge partnerships and reach prospective buyers.

- Showcase your products to the right audience
- Speed up your buying by addressing queries on the spot
- Network with industry leaders, prospective partners, decision makers and current clients
- Attend seminars and conferences with the best minds in the business
- Build your networking for more business prospect in the future
- Tap into potential customers to drive greater sales

Be in the spotlight once again!

If you are in the rubber industry, IRE 2022 is for you. Participants include industry players and stake holders such as:

Manufacturers, Suppliers, Importers, Traders, Research Institutions, Publishers, Technocrats and more.
