

Circular Economy, Recyclability & Sustainability of the Rubber Industry – A New Paradigm Shift

# National Rubber Conference 2019

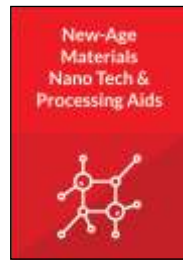

NRC is an initiative of All India Rubber Industries Association (AIRIA) since 2012 to conduct program for the industry on recent developments on raw materials, machinery, processes and industry trends. The event covers technical and commercial topics. The event is conducted annually in different region of the country from time to time.

The Indian rubber industry is on a growth trajectory and likely to grow in double digit YOY in the coming decade. It is two days Mega Event wherein we will have Technical as well as a few Non-technical presentations by Eminent Speakers from India and Overseas.
