

Stand out... Lead your tomorrow!!

2nd-3rd November 2012,
The Lalit, Mumbai

National Rubber Conference
New challenges and opportunities for Rubber Industry

Organiser

National Rubber Conference(NRC)-Mumbai is an initiative of All India Rubber Industries Association(AIRIA) to have the stake holders of the Indian Rubber Industry apprised of the global trends affecting them. It is an opportunity provided to the RUBBERPRENEUR to be well informed to take strategic decisions today which will chart their future growth on a short as well as long term

Conference with a difference

Envisioned with a difference the NRC will guide the delegates about

- Sustainability of Indian Rubber Industry vs. Global competition
- Availability & price prediction of rubbers
- Man power availability & solutions specifically for rubber industry.
- Defence /Auto Industry requirements-current shortcomings & future trends for automotive rubber components.
- Development in rubber machinery and raw materials with reference to future trends.

You need to attend !!

If you....

- Need to know how to gear up for future requirements of the Auto Industry
- Need to know where the Rubber Industry is headed over next 3-5 years
- Would like to find out the latest development in Rubber Machinery and Raw Materials
- Want to know the current developments in Rubber Technology that will affect your future
