

National Rubber Conference

***Make in India - Import Substitution &
Product Innovation***

● AUGUST 2ND & 3RD, 2017 ● SAHARA STAR, MUMBAI

About National Rubber Conference

All India Rubber Industry Association (AIRIA) has been playing a pivotal role in promoting the interest of its members and industry at large since 1945. National Rubber Conference (NRC) is an initiative of AIRIA to conduct a program for the industry so as to be well informed on the recent developments on raw materials, machinery, processes and industry trends. The event covers technical and commercial topics and is conducted annually in different region of the country from time to time.

The theme of the event this year is "Make in India – Import Substitution & Product Innovation". It is expected to bring together over 300 experts and delegates including government officials, rubber producers and processors, traders, importers & exporters, commodity and investment analyst, rubber machinery and equipment suppliers and their supporting industries. The event will have over 20 eminent speakers. The topics covered will be diverse and varied such as Understanding of Butadiene, Natural Rubber – Emerging trends, Engineering with Rubber, Gearing up for Bharat 6, Single wall Carbon nanotubes, Advancement in TPVs, Advancement in Process additives, Specialized testing of rubber products amongst others. There will be high powered panel discussions on Innovation by leaders from the Indian industry.

NRC Mumbai 2017 will be a high calibre event. India is on a high growth trajectory and in the centre of global growth for next few decades. The changing working environment on demonetisation, GST introduction, interest rate fluctuation, currency rate volatility and focus government sets the new 'Normal' for Indian industries. NRC Mumbai aims to bring clarity on the above subjects and bring about a meaningful networking platform.

Message from the Chief Convenor

National Rubber Conference (NRC) under the wing of All India Rubber Industries Association (AIRIA) is India's leading platform for rubber conference and successfully running for 6th straight year. This reputation has not been achieved by accident. NRC brings together delegates from Industry, Government agencies, Related Industries and Academia for further understanding and developing the Indian rubber industry.

It is my honour and privilege to have been appointed by the AIRIA (WR) committee as the Chief Convenor for the NRC (WR) being held in Mumbai.

We have a dedicated team which is focusing collectively to make NRC (WR) 2017 a Mega Event. We have arranged to call in for the best of International and National Speakers to cover diverse topics of Technical and Commercial interest. A High Powered Panel discussion on Innovation is aimed to ignite our desire to Think Out of The Box. A networking dinner which will help to make more connects, renew connects, discuss problems of mutual interest and celebrate friendship. A centrally located venue for ease of travel for delegates from within and outside of Mumbai. The details of topics of the conference are in the subsequent pages.

We have an overwhelming support from our Sponsors which is pivotal for the success of such an event. We are indeed always grateful and thankful to them. The registration by the delegates are filling up and it is clearly going to be the biggest NRC held so far based on number of delegates.

Mark your diary for the 2nd – 3rd August 2017 and I look forward to seeing you at Hotel Sahara Star, Domestic Airport, Vile Parle (East), Mumbai.

Siddharth Bhimrajka
Chief Convenor
NRC Mumbai 2017

SEMINAR TOPICS

**Butadiene Pricing & Markets –
Exploring the Impact on Synthetic
Rubbers**

*Ms. Malini Hariharan
Head of South Asia Market - ICIS*

One Month into GST

*Mr. Nitin Shah
Senior Advisor
Ernst & Young LLP*

Updation on RSDC

*Ms. Meghna Mishra
CEO - Rubber Skill Development Council
(RSDC)*

**Emerging Trends in Natural
Rubber**

*Mr. Jom Jacob
Senior Economist
Association of Natural Rubber Producing
Countries (ANRPC)*

**Unlocking the Value Through
BSE -SME Platform**

*Mr. Ajay Thakur
Head BSE - SME Platform
Bombay Stock Exchange - SME*

**Outlook of Synthetic Rubbers
in India**

*Mr. Kishor Katkar
Head Technical Services &
Business Dev. - Indian Synthetic Rubber
Private Limited (ISRL)*

**A New Revolution in Advance
Materials With TUBALL™ - Single
Walled Carbon Nanotubes**

*Ms. Ekaterina Gorbunova
VP - Product Development Elastomers
OCSIAL*

**Bharat - VI - Emission Norms &
Gearing up for Transition**

*Mr. B V Shamsundara
General Manager - SHL
The Automotive Research Association of
India (ARAI)*

**Innovation & Automation in
Rubber Processing Machinery**

*Mr. Vinod Rai
Associate Director
Bainite Machineries Pvt. Ltd.*

**Advancements in
Thermoplastic Elastomers**

*Mr. Aschak Damani
Managing Director
Zylog Plastalloys Pvt Ltd.*

SEMINAR TOPICS

Specialized Testing of Rubber Products

*Dr K Rajkumar
Director
Indian Rubber Manufacturers Research
Association (IRMRA)*

New Adhesive Technology for Bonding Liquid Silicone Rubber to Plastics & Metal

*Mr. Subir Chaudhari
Manger Technology
Lord India Pvt. Ltd.*

Engineering in Rubber

*Mr. Kartik Srinivas
Material Testing Engineer
FEA CAE Consultant*

Additives for Diamine Cured Special Elastomers

*Mr. Robert Kobel Bryk
Technical Sales Manager
Struktol*

New Viton™ FKM with Improved Dynamic Properties for Turbo Charger Application

*Mr. Zeru Tekie
Global Technology Director
The Chemours Company*

Cariflex IR - The Clear Alternative

*Ms. Adeline Kung
Senior Application Manager
Kraton Polymers International Ltd.*

Low Temperature Plasticizers & Bio Process Oils

*Mr. Mehul Patel
Witmans Industries Pvt Ltd*

Tyre Oils

*Dr. Mika Lahtien
Technical Manager
Nynas AB*

The 'Exotic' Solutions for High Temperature Problems & New Fluids Resistance

*Mr. Pandiarajan P
Technical Specialist (South Asia & ASEAN)
DuPont Performance Elastomers*

Innovation - How Can Indian Entrepreneur Think out of the Box

*Dean Ranjan Banerjee
SPIIMR*

*Mr. R Gopalakrishnan
Past Director Tata Sons*

COMMITTEES

Mr. Umesh Dhruv
National Convenor, NRC

Mr. Siddharth Bhimrajka
Chief Convenor, NRC

Mr. Kamal K. Chowdhury
President, AIRIA

Mr. Vikram Makar
Sr. Vice President, AIRIA

Mr. V.T. Chandrasekharan
Vice President, AIRIA

Mr. Vinod Bansal
Chairman WR, AIRIA

Mr. Jayanti Panchal
Co-Convenor, NRC

Mr. Rajendra Shah
Co-Convenor, NRC
